- Function: Provides Support And Stability For Dentures
- Color: Silver
- Hygiene: Easy To Clean And Maintain
- Size: Various Sizes Available
- Highlight: **OEM precision attachment partial,
Telescopic precision attachment partial,
OEM crown prosthesis**

Product Description

Telescopic Prosthesis

The Telescopic Prosthesis from ADS China Dental Lab offers a secure fit, stability, and natural-looking aesthetics, making it an ideal choice for patients seeking long-lasting and reliable dental restorations.

Advantages

Secure Fit and Stability: Enhanced retention minimizes movement, providing a stable and comfortable fit.

Natural-Looking Aesthetics: Customizable outer crowns ensure a seamless, natural-looking smile.

Preservation of Natural Teeth: Utilizes remaining natural teeth as supportive elements, promoting long-term oral health.

Improved Chewing Function: Enhances chewing efficiency, allowing patients to enjoy a varied and balanced diet.

Long-Lasting Durability: Crafted from high-quality materials for reliable, long-term use.

Key Features

Telescopic Design: Unique mechanism where the inner coping and outer crown fit together with precision, offering excellent retention and stability.

Customizable Aesthetics: Outer crown can be customized to match the patient's natural teeth in color, shape, and appearance, enhancing overall esthetics.

Preservation of Natural Teeth: Helps preserve remaining natural teeth, preventing further tooth loss and promoting oral health.

Enhanced Chewing Function: Secure fit improves chewing efficiency, allowing for a wide variety of foods.

Durable and Reliable: High-quality materials and precision manufacturing ensure long-lasting durability.

Considerations

Oral Hygiene: Proper oral hygiene practices and regular dental visits are essential to maintain the health of natural teeth and supporting structures.

Patient Evaluation: Individual evaluation is necessary to determine the suitability of a Telescopic Prosthesis based on oral health, remaining teeth, and treatment goals.

Why Choose ADS China Dental Lab?

Choose ADS China Dental Lab for your Telescopic Prosthesis and experience the perfect blend of stability, aesthetics, and functionality. Our advanced technology and skilled technicians ensure each prosthesis meets the highest standards of quality and precision.
