Product Description

Introduction

ADS China Dental Lab is proud to introduce our latest product – Feldspathic Porcelain Veneers. As a leading manufacturer in China, we specialize in providing high-quality wholesale dental products to international markets. Our Feldspathic Porcelain Veneers are designed to offer superior aesthetics and functionality, making them an excellent choice for merchants worldwide.

What are Feldspathic Porcelain Veneers?

Feldspathic Porcelain Veneers are dental veneers made from layers of custom-shaped porcelain that closely resemble the natural color and translucency of teeth. These veneers are bonded to the front surface of the teeth, creating a natural-looking and durable smile. Handcrafted by experienced technicians, they provide a level of customization and quality that is unmatched.

What Makes Our Feldspathic Porcelain Veneers Unique?

Handcrafted Excellence Each veneer is meticulously crafted by our skilled technicians, ensuring perfection in shape, color, and finish.

High-Quality Materials We use the highest quality porcelain, known for its strength, durability, and natural appearance. Our materials meet the highest standards of quality and safety.

Outstanding Aesthetics Our veneers are custom-matched to the patient's natural tooth color, providing a seamless and beautiful smile.

Easy to Apply Requiring minimal tooth preparation, our veneers are easy to apply and provide a comfortable experience for patients.

Long-Lasting Results With proper care, our veneers can last up to 15 years. They are resistant to staining and discoloration, ensuring a long-lasting beautiful smile.

Conclusion

ADS China Dental Lab is dedicated to providing high-quality dental products at competitive prices. Our Feldspathic Porcelain Veneers are a testament to our commitment to excellence. We invite merchants worldwide to experience the superior quality and craftsmanship of our products.
