Product Description

Introduction

ADS China Dental Lab is excited to offer our top-of-the-line Dental Resin-Bonded Maryland Bridge. This dental restoration provides a conservative and effective solution for replacing missing teeth, particularly in the front of the mouth. Our Maryland Bridges are designed to deliver excellent aesthetics and functionality, preserving the natural tooth structure.

Key Features

Conservative Approach Minimal tooth preparation is required, preserving the majority of the healthy tooth structure.

High Aesthetic Value Made from premium materials, our bridges blend naturally with the patient's teeth for a flawless look.

Durable and Reliable Advanced bonding techniques ensure a strong and durable attachment, suitable for daily use.

Precision Fit Each bridge is custom-crafted to fit the patient's mouth perfectly, enhancing comfort and functionality.

Simple Care Easy to clean and maintain, supporting good oral hygiene practices.

Benefits

Tooth Preservation Only minimal removal of the natural tooth is necessary, keeping the tooth structure intact.

Seamless Integration Designed to match the natural teeth in color, shape, and size for a harmonious smile.

Comfort and Stability Custom-fit design ensures a comfortable and secure fit.

Affordable Solution A cost-effective alternative to other tooth replacement options.

Applications

Front Tooth Replacement Ideal for replacing missing front teeth with minimal impact on surrounding teeth.

Multiple Adjacent Teeth Replacement Suitable for replacing a group of missing teeth in a row.

Considerations

Longevity Requires good oral hygiene and regular dental visits to maintain the bridge's condition.

Rebonding May need periodic rebonding to ensure continued stability and function.

Conclusion

ADS China Dental Lab's Dental Resin-Bonded Maryland Bridge offers a superior solution for those seeking a minimally invasive and aesthetically pleasing tooth replacement. Our commitment to quality and precision ensures you receive the best possible restoration. Contact us for more details or to place your order.
